Licensee agrees that it has collected and shall maintain and handle all Licensee Data in compliance with all applicable data privacy and protection laws, rules and regulations. Further, Licensee is solely responsible for determining the suitability of the Service for Licensee's business and complying with any regulations, laws, or conventions applicable to the Licensee Data and Licensee's use of the Service(s). Licensee shall comply with all applicable tax laws and regulations. Licensee hereby agrees to promptly pay or reimburse OpsVeda for any Taxes and related costs paid or payable by OpsVeda attributable to Taxes that would have been Licensee's responsibility under this Section 6.7 if invoiced to Licensee. Licensee shall promptly pay or reimburse OpsVeda for all costs and damages related to any liability incurred by OpsVeda as a result of Licensee's non-compliance or delay with its responsibilities herein. Licensee's obligation under this Article 6.7 shall survive the termination or expiration of this Agreement.

8.8 Licensee shall reimburse OpsVeda for all reasonable, pre-approved and appropriately documented travel and related expenses incurred by OpsVeda in performing any support or Consulting Services for Licensee under this Agreement, subject to Licensee's vendor travel and expense policies, copies of which will be provided to OpsVeda. All travel and related expenses will be billed at actuals, or at pre-approved terms.

9 Term, Termination and Termination Support

9.1 The term of this Agreement begins on the Initial Term Start Date as set forth in the Order Form or the Software End User License Agreement and shall continue in effect as described in this Agreement. Where multiple Order Forms are in effect, termination of individual Order Forms shall leave other Order Forms unaffected.

9.2 A party may terminate this Agreement upon thirty (30) days written notice to the other party of such other party's material breach of any provision of this Agreement unless the breaching party has cured such breach during such thirty (30) day period. In case of termination in accordance with this Article 7.2 by Licensee, Licensee shall be entitled to a pro-rata refund of prepaid fees for the applicable Service. Except for termination in accordance with this Article 7.2 or Article 7.4 by Licensee, termination will not relieve Licensee from the obligation to pay fees that remain unpaid.

9.3 Notwithstanding OpsVeda's right to terminate as set forth in Section 7.2 above, OpsVeda may, in its reasonable determination, deactivate Licensee's user name(s) and password(s) and/or temporarily suspend access to the Service or a portion thereof, if and to the extent OpsVeda can substantiate in advance in writing that the continued use of the Service by Licensee may result in harm to the Service (including the security of the systems used to provide the Service) or other OpsVeda Licensees, or the rights of third parties, upon prior written notice to Licensee as the circumstances permit.

9.4 Either party may terminate this Agreement immediately upon notice if the other party: (i) makes a general assignment for the benefit of creditors; (ii) is adjudicated bankrupt; (iii) files a voluntary petition for bankruptcy or reorganization, or has a petition filed against it for an adjudication in bankruptcy or reorganization and such petition is not dismissed within sixty (60) days; or (iv) applies for or permits the appointment of a receiver, trustee or custodian for any of its property or assets.

9.5 Upon the effective date of termination, Licensee's access to the Service will be terminated. Licensee shall have the ability to access its Licensee Data at any time during the subscription term

set forth in the applicable Order Form, unless earlier terminated pursuant to this Article 7. Licensee may export and retrieve its Data during a subscription term, which will be subject to technical limitations caused by factors such as (i) the availability of self-service extraction tools compatible with the Service, (ii) the size of Customer's instance of the Service; and (iii) the frequency and/or timing of the export and retrieval.

9.6 Upon expiration or termination of this Agreement, the rights and obligations of the parties hereunder will cease, except that: a) each party shall immediately return or securely destroy (and provide written certification of such destruction within five (5) days) the Confidential Information of the other party; and b) Sections 6.7, 7, 9, 10, 11, and 12 shall survive the expiration or termination of this Agreement.

10 Warranties by OpsVeda

10.1 OpsVeda warrants that the Service will substantially conform to the specifications stated in the Documentation. The foregoing warranty shall not apply to the extent: (i) the Service is not being used in accordance with this Agreement and/or any Documentation; or (ii) any non-conformity is caused by third party products, content or service being accessed through the Service that are identified as third-party products, content or service; or (iii) the Service being used was provided for no fee or is a trial license of the Service. Subject to Section 8.3, Licensee's sole and exclusive remedy, and OpsVeda's entire liability for breach of the limited warranty in this Section 8.1, shall be correction of the warranted non-conformity or, if OpsVeda fails to correct the warranted non-conformity within thirty (30) days of the date Customer reported the non-conformity, after using reasonable commercial efforts, OpsVeda may terminate access to the non-conforming Service and refund the pro-rata subscription fees paid by Customer for such Service (as identified in the applicable Order Form) for the remainder of the subscription term (starting on the date Customer reported the non-conformity).

10.2 OpsVeda warrants that (i) it will perform any Consulting Services in a workmanlike and professional manner consistent with generally accepted industry practices, and (ii) the Consulting Services and Cloud Materials will conform in all material respects with the descriptions set forth in this Agreement, and in any other applicable Order Form, statement of work or deployment descriptions. Subject to Section 8.3, Licensee's sole and exclusive remedy, and OpsVeda's entire liability for breach of the limited warranty in this Section 8.2, shall be the re-performance of such deficient Consulting Services; and if OpsVeda fails to re-perform such Consulting Services as warranted within thirty (30) days, Customer shall be entitled to recover the fees paid to OpsVeda for such deficient Consulting Services and OpsVeda will provide a pro-rata refund of the pre-paid fees for the applicable service.

10.3 Licensee shall provide OpsVeda with prompt written notice of any non-conformity described in Sections 8.1 and 8.2 as follows: (i) for any non-conformity of the Service, within sixty (60) days of Licensee's discovery of such non-conformity, and (ii) for any non-conformity of any Consulting Service, within thirty (30) days of completion of the applicable Consulting Service.

10.4 EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, NEITHER OPSVEDA NOR ITS AFFILIATES MAKE ANY REPRESENTATION OR WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, REGARDING ANY MATTER, INCLUDING THE MERCHANTABILITY, SUITABILITY, ORIGINALITY, OR FITNESS FOR A PARTICULAR USE OR PURPOSE, NON-INFRINGEMENT OR RESULTS TO BE DERIVED FROM THE USE OF OR INTEGRATION WITH THE SERVICE, OR ANY CONSULTING SERVICES, SOFTWARE, HARDWARE OR OTHER MATERIALS PROVIDED UNDER THIS AGREEMENT, OR THAT THE

OPERATION OF ANY SUCH SERVICE, SOFTWARE, HARDWARE OR OTHER MATERIAL WILL BE SECURE, UNINTERRUPTED OR ERROR FREE.

11 Third Party Claims

11.1 OpsVeda shall indemnify, defend (at its sole expense) and hold Licensee and its Affiliates and their respective officers, shareholders, employees and agents harmless against lawsuits, claims, demands, penalties, costs, expenses and other liabilities (collectively "Claims") brought against Licensee or its Affiliates by any third party, arising from or related to (i) an allegation that Licensee's use of the Service, the Consulting Service, the Cloud Materials or the Software infringes, misappropriates or violates any patent claim(s), copyright, trade secret or other Intellectual Property Rights of a third party (an "Infringement Claim"), (ii) any breach by OpsVeda of this Agreement or (iii) the negligence or willful misconduct of OpsVeda or any of its employees, officers, agents or Affiliates. OpsVeda will pay all damages losses, expenses, costs, liabilities, and settlements with respect to such claims, and will pay reasonable attorney's fees in connection with such defense incurred by Licensee or its Affiliates as and when incurred by Licensee or its Affiliates. For an Infringement Claim, this obligation of OpsVeda shall not apply to the extent the alleged infringement or misappropriation results from use of the Service in conjunction with any other software or service not provided or suggested by OpsVeda.

11.2 In the event an Infringement Claim under Section 9.1 is made or in OpsVeda's reasonable opinion is likely to be made, OpsVeda may, at its sole option and expense: (i) procure for Licensee the right to continue using the Service under the terms of this Agreement; or (ii) replace or modify the Service to be non-infringing without material decrease in functionality. If OpsVeda provides written notice to Licensee that the foregoing options are not reasonably available, OpsVeda or Licensee may terminate this Agreement and OpsVeda shall refund to Licensee all prepaid fees for the remainder of its term after the date of termination.

11.3 Licensee shall indemnify, defend (at its sole expense) and hold OpsVeda and its Affiliates and their respective officers, shareholders, employees and agents harmless against Claims brought against OpsVeda by any third party arising from or related to (i) any use of the Service in violation of any applicable law or regulation; (ii) an allegation that the Licensee Data or Licensee's use of the Service in violation of this Agreement violates, infringes or misappropriates any patent claim(s), copyright, trade secret or other Intellectual Property Rights of a third party or (iii) the gross negligence or willful misconduct of Licensee or any of its employees, officers, agents or Affiliates. Licensee will pay damages awarded against OpsVeda (or the amount of any settlement Customer enters into) with respect to such Claims and will pay reasonable attorney's fees in connection with such defense incurred by OpsVeda as and when incurred by OpsVeda. The foregoing shall apply regardless of whether such damage is caused by the conduct of Licensee and/or its Named Users or by the conduct of a third party using Licensee's access credentials (other than access credentials that should have been disabled by OpsVeda pursuant to Section 4.3).

11.4 The obligations under this Section 9 are conditioned on (i) the party against whom a third party claim is brought timely notifying the other party in writing of any such claim, provided however that a party's failure to provide or delay in providing such notice shall not relieve a party of its obligations under this Section 9 except to the extent such failure or delay prejudices the defense; (ii) the party who is obligated hereunder to defend a claim having the right to fully control the defense of such claim; provided, the indemnifying party shall keep the indemnified party informed of, and consult with the indemnified party in connection with the progress of such litigation or settlement; and (iii) the party against whom a third party claim is brought reasonably cooperating in the defense of such claim. Any settlement of any claim shall not include a financial or specific performance obligation or admission of liability by the party against whom the claim is brought, provided however that for an Infringement Claim, OpsVeda may settle any claim on a basis requiring OpsVeda to substitute for the Service with

an alternative substantially equivalent non-infringing service. The party against whom a third-party claim is brought may appear, at its own expense, through counsel reasonably acceptable to the party obligated to defend claims hereunder.
